

DEER PHARM

Made with 100%
Certified Organic
Oils

All-natural & Bio-degradable

Active Ingredients: Certified Organic Soybean Oil 1%, Citric Acid .2%, Garlic Oil .1%.

Inert Ingredients: Certified Organic Fish Oil, Broccoli Juice, L-Ascorbic Acid: 6.8%. Water 91.9%.

For Best Results: Spray at Dusk before deer feed. Early in the season spray liberally on foliage and buds. As the season progresses and the deer no longer feed in your garden, spray intermittently as needed. If the deer return, increase spraying for a short time. The deer should not eat anything that has been sprayed with Deer Pharm. Safe for fruits, berries and edibles and herbs. Avoid spraying outside a bedroom window in the evening. Not for use in bear country. Aroma Dissipates Rapidly. Use freely until harvest.

Repels: Deer, Dogs, Moose and some Small Mammals.

Patent Pending

Your pure and natural answer to Garden Pests. Designed with your family and the environment in mind, all ingredients are pure or natural & 100% certified organic oils.

 FOR ORGANIC PRODUCTION

This product contains no alcohol or anti-microbials.

100% PURE

Deer Pharm is the first deer repellent made with Certified Organic Oils. You will be amazed how critters that once devoured your flowers & vegetable garden are now repelled. Use freely until harvest.
