Scale

All Indoor Pests
Horticultural Fungus
& More.

Concentrate

Insecticide, Miticide
& Fungicide

**USDA / NOP
CERTIFIED
ORGANIC**
by Oregon Tilth

One Gallon

All-natural & Bio-degradable

Contents: Soap made with Organic Coconut Oil 63.76%, Organic Soy Oil 19.22%, Organic Almond Oil .80%, Organic Rosemary Oil .80%, Sodium Bicarbonate 2.21%, Potassium Chloride 2.21%.

Active Ingredients: Diluted to eight parts water, one part product. Certified Organic Soybean Oil 3.0%, Certified Organic Rosemary oil .10%.

Inert Ingredients: Fatty acids, coco potassium salts, certified organic coconut oil, certified organic almond oil, sodium bicarbonate, potassium chloride (from a mined source) and water.

For Best Results: Spray at Dusk. This lengthens drying time and treatment. Thoroughly water plants in the AM. At dusk, spray a fine mist on stems, leaves, soil at base of plants. Please test! Dilution may be required in 90 plus degree heat to avoid leaf burn. Applications during mid-day in sunny windows may cause or leaf burn or leaf fall, neither of which should harm the plant. Repeat at first sign of infestation. Test first on hairy or waxy leaves. Please test ornamentals first. For Fungus Gnats, spray the soil lightly once a week, then bi-weekly to prevent infestations.

Controls: Fungus Gnats, Ants, Aphids, Spider Mites, Whiteflies, Scale, Leafhoppers, Earwigs, Thrips, Mealybugs, Horticultural Fungus and more.

**Use Freely Until Harvest
Patent Pending**

Your pure and natural
answer to Garden Pests.
Designed with your family
and the environment in
mind, all ingredients are
pure and natural, food or
pharmaceutical grade.

 FOR ORGANIC PRODUCTION
This product contains no
alcohol or anti-microbials.
