Mites, Beetles

Horticultural Fungus

& Garden Insects

Concentrate

Insecticide, Miticide
& Fungicide

USDA / NOP

CERTIFIED

ORGANIC

by Oregon Tilth

One Gallon

All-natural & Bio-degradable

Contents: Soap made with Organic Coconut Oil 63.76%, Organic Soy Oil 19.22%, Garlic Oil 11.00%, Organic Peppermint Oil .80, Organic Rosemary Oil .80%, Sodium Bicarbonate 2.21%, Potassium Chloride 2.21%

Active Ingredients: Diluted to eight parts water, one part product. Certified Organic Soybean Oil 3.0%, Certified Organic Rosemary oil .10%, Certified Organic Peppermint Oil .10%, Pure Garlic Oil 2.75%

Inert Ingredients: Fatty acids, coco potassium salts, certified organic coconut oil, sodium bicarbonate, potassium chloride (from a mined source) and water.

For Best Results: Spray at Dusk. This lengthens drying time and treatment. Thoroughly water plants in the AM. At dusk, spray a fine mist on stems, leaves top and bottom. Please do not over spray. Please test! Dilution may be required in 90 plus degree heat to avoid leaf burn. Application during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should harm the plant. Please test seedlings first.

Controls: Mealy Bugs, Horticultural Fungus, Ants, Adult Japanese Beetles, Thrips, Aphids, Spider Mites, Whiteflies, Scale, Leafhoppers, Earwigs and more. Repeat at first sign of infestation.

Use our **Garlic Pharm™** between applications to repel insects.

Patent Pending

Your pure and natural
answer to Garden Pests.

Designed with your family
and the environment in
mind, all ingredients are
pure and natural, food or
pharmaceutical grade.

 FOR ORGANIC PRODUCTION

This product contains no
alcohol or anti-microbials.
